

# ONYX P

## Presenting the Onyx-P

Adding to the new and modern **Onyx Series** ATMs, the Onyx-P model adds a **Motorized Presenter** module and high-performance cash dispenser to this already popular and reliable platform.

The Onyx-P features a high-resolution **10.1" wide screen**, or an optional **12" touch screen**, a security reflective front with touch keypads. The strong cabinet, tough exterior and **security enhancements** make it durable enough for any location. Onyx-P is ready for your customized screen graphics which includes **new branding features**. An optional **3" printer** is available for receipt graphics and couponing.

The Onyx-P with Presenter CDU can be ordered in **single, dual and four cassette** configuration and in 1700 or 2000 note-per-cassette capacity for maximum flexibility.
